JUNE, 1904.

Mr. Henry King and his bride are expecting to visit the Island this summer.

George Nightingale is laid up with water on the knee, and is staying at J. J. Akerman's.

St. Mark's Cemetery is now in nice order, the grass trimmed, flower beds neat, and paths clean.

Mr. Andrew Smith, of Ganges Harbor, returned to the Island with his bride the beginning of last month.

Mr. and Mrs. J. R. Pennington Legh will, it is expected, have returned from England by the time this is in print.

Received for Church Monthly since May 1st:—J. W. Hamilton, 35c.; Mrs. T. Lee, 35c.; J. J. Akerman, 85c.; Miss Hinds, \$1; A. W. Cooke, \$1.

Dr. Beech, with wife and two children and his mother, is at present occupying Mr. Bullock's cottage, vacated recently by Mr. Wright.

At the concert held April 15th at the Burgoyne Bay school, the sum of \$23.90 was raised, and is to be used in the purchase of a chancel carpet for St. Mary's Church.

Will those who have not yet paid in their promised subscriptions towards paying off the debt on the Agricultural Hall kindly do so, as there are several overdue accounts that ought to be paid at once.

It is proposed to have the Home Sunday School picnic this year at Cushon Lake, and the Bishop will we hope be present. Further notice will be given in July issue.

It is proposed to have a professional boat race in twenty-foot outrigger skiffs at our next Agricultural show and steps are being taken towards providing prizes.

Directors' Meeting, Islands' Agricultural Association, Wednesday, June 1st.

The Dominion Exhibition is to take place next year in British Columbia, and it is hoped that it will be in Victoria.

Mr. Smith, an expert butter maker, from Stratford, Ont., has been put in charge of the creamery, in place of Mr. Webster, resigned. The output is now 1,400 lbs. a week.

Letters from the Yukon party dated May 12th state that they are all well and jolly, but ground and creek still frozen solid. They are busy thawing and scraping, and have already got some gold. The shack they built is 12x20 feet; their fare bread, beans and ptarmigan, and they are all in the best of health and spirits.

Either of the following books may be obtained on loan by members of the Farmers' Institute, on application to the Secretary, Mr. J. T. Collins, viz.: Henderson's Gardening for Profit; Stewart on Sheep; Harris on Swine; Mayhew's Horse Doctor; Farming, by Rennie; Low-priced Poultry Houses; Poultrycraft, Etc. These books are the nucleus of a library, which will be gradually added to.

If our Agricultural Show this year is to be a success, it is necessary that all should join and join heartily in an endeavor to make it so. We have an excellent hall and grounds, and no doubt a large number of visitors will be attracted if we all unite heartily in making our exhibition a show worth coming to see. It is to take place Wednesday, September 21.
